

“**Deepen K Mody** :- I had lots of body pain whenever I feel hungry my body used to get cool down and I used to get black darks in my vision, Dr Amina diagnosed that I have fatty liver problem. She prescribed for sonography dated 09/07/2007 showed that I had fatty liver I took Ayurvedic treatment from her and continued till October 2007. My sonography dated 15/10/2007 shows normal liver. I am ok with no problem.
