

"Narsing Chauhan :- Since October 2008, I got complaints of senior paon in abdomen; heaviness of abdomen; loss of appetite and navsea. I took tretment from dr. hemant shah. (M.P.) but with no possitive results sonography test that I suffered from Hepatomegaly. I started treatment from Dr. Amina Khatri in January 2009. I started getting overed by Ayurvedic medicines and now on 9/7/09 I am all right also the sonography report are normal.

नरसिंह चैशन

वय - ४३ वर्ष

सांझीपुरम (जख) गुजरात

मुझे अक्टूबर २००८ से पेट में दर्द की शिकायत हुई।
पेट का भारी पन, स्तनी उफारे आना, भुख न लगना, जी मिचलाना
ये सब शिकायतें होने लगी। डॉ. इमैन शाह से क्या
की, कुछ प्रायश्चा न हुआ। ता. ४।११।२००८ को सेनोग्राफी
के रिपोर्ट से पता चला की मुझे इंपेरोमैछाली नाम का
लीवर का रोग है। ता. २५।११।२००९ से डॉ. अमीना स्वामी
से सारा सारा लेना शुरू किया। इनके आयुर्वेदीक उपचार
से धीरे धीरे मुझे अच्छा लगने लगा। आज ता. ७।७।
२००९ को फिर सेनोग्राफी की। मेरे सभी रिपोर्ट नार्मल
हैं। मुझे अब कोई शिकायत नहीं।
