

**Dhiman Nirajben :-** Since 18 years I was suffering from allergic cold. I had tried lots of medicines, but still there was no improvement. I started taking ayurvedic medicine from Dr Amina Khatri which helps me to come across my allergic cold problem. I had my medicinal course for 3 months from August to October. I also had problem of Fatty Liver. Today I had my sonography that showed me that I was cured Fatty Liver and my allergic cold was also cured totally.
